Healthy habits start at lunchtime! We encourage families to pack nutritious, balanced lunchboxes filled with fresh fruit, whole grains, and protein-rich foods to fuel learning and play.

Please help us reduce sugary treats and fizzy drinks, which can affect concentration and energy levels—let's keep lunchboxes smart and supportive!

Dressing for comfort and readiness to learn! While we don't have a school uniform, we kindly ask that clothing choices support a positive, respectful learning environment—comfortable, practical, and suitable for an active school day.

Please ensure that clothes cover the chest and stomach area, and remember that weather-appropriate clothes help children stay focused and feel their best.

Let us know if your child is absent! If your child will be away from school due to illness or any other reason, please contact the school as soon as possible to keep our records up to date.

Timely communication helps us ensure all children are safe and accounted for—thank you for your support
